

Explanation of Important Matters Concerning Provided Services

This document has been created to explain services in accordance with the stipulations of Article 26 (Consumer Protection Rules) of the Telecommunications Business Act.

Important matters related to contract contents are explained herein. Please be sure to read it carefully before applying.

1. Contents of the Provided Service (Telecommunications Services)

Item	Details
Name	AsahiNet docomo Hikari (Type B)
Type	Fiber-optic connection line (FTTH access service)
Approximate maximum communication speed	Maximum 1Gbps (down/up).
Communication quality	The approximate maximum communication speeds listed are the maximum according to technical standards. It is possible for connection speeds to decrease significantly due to your communication environment, network congestion, etc.
Locations where services are available	—
Restrictions related to emergency notifications	—
Services to filter content harmful to young people	—
Other restrictions on use	To ensure communication quality and fair allocation of the network, some customers who send or receive a large amount of data during a set period of time may have limits placed on communication speed. To ensure the security of communication, Asahi Net may regulate communication ports for the customer's IP address.

2. Usage charges

(1) Initial charges

There is no initial charge related to this contract.

※ For initial charges (including installation charges) related to this service, please confirm the NTT Docomo Hikari contract provided by NTT Docomo.

(2) Monthly charges

Type of plan	Monthly charges
AsahiNet docomo Hikari Family	5,400 yen
AsahiNet docomo Hikari Mansion	4,200 yen

* These are the charges for a docomo Hikari 2-year fixed-term contract. Without a 2-year fixed-term contract, there is an additional charge of 1,500 yen for a single-family house, and 1,000 yen for an apartment. See the NTT docomo website for details regarding charges.

(3) Call charges

No explanation of this item is available.

(4) Dialup connections

Dialup connections are not available.

3. Conditions, etc., for withdrawing applications/changing contracts

- Procedures to terminate or change contracts for docomo Hikari must be conducted as stipulated by NTT docomo. Not available with Asahi Net. Contact NTT docomo at the location indicated on the docomo Hikari contract documentation received from NTT docomo.

4. The Initial Contract cancellation System

An initial contract cancellation period applies to the telecommunications services stipulated in this contract.

- The contract can be canceled in writing within 8 days following reception of the notification of contract details. It will take effect at the time the documentation is submitted.
- In such cases, you (1) will not be billed for damages or for a penalty charge, etc. (2) However, you will be billed for telecommunications services, administrative fees, and installation fees for services received from the time the contract was concluded to the date on which the contract was canceled. The amount for (2) will be the amount indicated in this document plus the cost of any additional installation work you have requested. (3) Further, if Asahi Net has received any payment, etc., from you in relation to the contract, that amount will be returned to you (excluding amount billed in accordance with (2) above).
